

## Vision

Creating Montessori educators who inspire and transform the lives of children.

Prof. Rajendra Gupta, U.S. A.  
Chairman

## About Us

Indian Institute for Montessori studies is affiliated with Indian Montessori Association and was established in 1998. It was the first institution to offer Montessori primary course in India after the departure of Maria Montessori in 1949. Since then, the institute has trained hundreds of passionate Montessori teachers and teacher trainers. IIMS offers pre-primary and primary Diploma Courses.

## Montessori Pre-primary Diploma - MPPD

The Montessori Primary Diploma course trains teachers to assist children between 2 ½ and six years. The course trains teachers to understand the needs and requirements of these children and apply Montessori psychology and theory accordingly.

service to the powers  
inherent in all children.  
It is a help to life."

Dr Maria Montessori

## Areas to be covered

The Montessori Preprimary classroom  
has five distinct areas. They are:

### Exercises of Practical Life

The activities that are performed in  
our day-t-day life washing,  
cleaning, sweeping, greeting, and  
so on.

### Sensorial Activities

Sensorial activities enable the  
child to order, classify, and  
describe sensory impressions in  
relation to length, width,  
temperature, mass, color, pitch,  
etc.

### Arithmetic Activities

The Child works with concrete  
representations to internalize  
concepts of number, symbol,  
sequence, operations, and  
memorization of basic arithmetic  
facts.

### Language Arts

The Child acquires language  
through the use of sandpaper  
letters, alphabet cut-outs, and  
presentations to develop basic  
skills in writing and reading.

### Cultural Activities

Educate children in geography,  
history, and life sciences.
